

DIGITIZATION

101

Is your library, museum, or archive planning a digitization project? Unsure of how to get started? Join Eric S. Ames, Digital Collections consultant with the Baylor University Libraries, as he outlines strategies for creating a digital collection for institutions of any size. Topics to be covered include:

Pre-planning | Equipment | Material selection
Digitization basics | Metadata | Online presentation

Saturday, September 10

10:00 AM – 3:00 PM

Texas Czech Heritage and Cultural Center

La Grange, TX

Sponsored by:

BAYLOR
UNIVERSITY
